When I buy out Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist , yeah

Big tipper, yeah, hundred on my bitch, yeah

Big tipper, yeah, hundred on my bitch, yeah  
Need that Rollie, want me to buy it huh? (Buy)  
Take you to ball, hard to spend a couple thousand huh? (Dollars)  
You need a nigga to put the mileage on 'em  
She talkin', I'm proud of her, I put that Prada on her  
Big grain, grippin' lean, niggas can't talk like this (Lame nigga)  
Beat the pussy, now she walk like this (Walk like this)  
They ain't never seen money in the vault like this (In the vault like this)  
Cash money, bling, bling when I talk like this (Like this) Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist , yeah  
Oh, stuntin' on you  
Big tipper, yeah, hundred on my bitch, yeah  
Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist, yeah  
Oh, stuntin' on you  
Big tipper, yeah, hundred on my bitch, yeah  
I be stuntin' like my motherfuckin' dad, let me go  
I'm talkin' wedding 2006 on a private plane, hop out my bitch  
Went and took like forty-five thousand dollars  
Put a brand new watch on top of my wrist  
And I put her to the grams and Rolls Royce truck  
With a brand new Glock on the side of my hip, nigga (Please)  
Don't turn me up, don't start with me (Uh-uh)  
Walk in the store, get everything, shit like a robbery  
He checked his girlfriend Instagram, I bet she follow me  
I pulled up rockin' Prada boots, my lil' bitch say she proud of me  
Whenever they see Baby they like-Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist , yeah  
Oh, stuntin' on you  
Big tipper, yeah, hundred on my bitch, yeah

Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist, yeah  
Oh, stuntin' on you  
Big tipper, yeah, hundred on my bitch, yeahOh  
Oh, stuntin' on you  
Big spender, yeah, hundred on my wrist , yeah  
Oh, stuntin' on you
