

# Falling In Love

Taio Cruz

It must be love because we are to afraid to say  
It must be love and so we paint everything in grey  
Let's not lose this chance  
Hold onto my hands  
Let's not waste this time 'Cause today is a great day for falling in love  
'Cause today is a great day for falling in love  
Falling in love It must be hard to know that we'll never be the same  
It must be hard to take this honoured leap of faith  
Let's not lose our way  
Let's not wait to say  
How we feel inside  
'Cause today is a great day for falling in love  
'Cause today is a great day for falling in love  
Falling in love, falling in love  
Falling in love, falling in love 'Cause today is a great day for falling in love  
Falling in love When you're falling, falling  
Just don't let go  
When you're falling, falling  
Just don't let go Let's not lose this chance  
Hold onto my hands  
Let's not waste this time  
'Cause today is a great day for falling in love  
'Cause today is a great day for falling in love  
Falling in love, falling in love  
Falling in love, falling in love 'Cause today is a great day for falling in love  
Falling in love
