Hold My Hand

Jess Glynne

Standing in a crowded room and I can't see your face
Put your arms around me, tell me everything's OK
In my mind, I'm running round a cold and empty space
Just put your arms around me, tell me everything's OKBreak my bones but you won't see me fall, oh

The rising tide will rise against them all, ohDarling, hold my hand

Oh, won't you hold my hand?

Cause I don't wanna walk on my own anymore

Won't you understand?

Cause I don't wanna walk alone

I'm ready for this, there's no denying

I'm ready for this, you stop me falling

I'm ready for this, I need you all in

I'm ready for this, so darling hold my hand

Soul is like a melting pot when you're not next to me

Tell me that you've got me and you're never gonna leave

Tryna find a moment where I can find releasePlease tell me that you've got me and you're never gonna leave

Break my bones but you won't see me fall, oh The rising tide will rise against them all, oh

Darling, hold my hand

Oh won't you hold my hand?

Cause I don't wanna walk on my own anymore

Won't you understand?

Cause I don't wanna walk alone

I'm ready for this, there's no denying

I'm ready for this, you stop me falling

I'm ready for this, I need you all in

I'm ready for this, so darling, hold my hand

Don't wanna know

That feeling when I'm all alone

So please don't make me wait, cause I don't wanna break

And I don't wanna fall

When you're next to me

Can tell I'm not afraid to beThat you don't make me wait, and never let me break

You never let me fall

Darling, hold my hand

Oh, won't you hold my hand?

Cause I don't wanna walk on my own anymore

Won't you understand?

Cause I don't wanna walk alone

I'm ready for this, there's no denying

I'm ready for this, you stop me falling

I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand
