I've Been in Love Before

Cutting Crew

One, two, three, fourOooh, oo oooh, chaCatch my breath, close my eyes
Don't believe a word
Things she said, overheard
Something wrong inside
Hits you in a minute, oooh
Then you know you're in it, aahI've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love before
Just one touch, just one look
A dangerous dance
One small word can make me feel
Like running away
You can't say you're in it, no, until you reach the limitI've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love beforeI've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love before
I've been in love
The hardest part is when you're in it
I've been in love
I've been in love before
