## **Bulletproof**

## La Roux

Been there, done that messed around I'm having fun, don't put me down I'll never let you sweep me off my feetI won't let you in again The messages I tried to send My information's just not going inBurning bridges shore to shore I break away from something more I'm not turned on to love until it's cheapBeen there, done that messed around I'm having fun, don't put me down I'll never let you sweep me off my feetThis time, baby, I'll be bulletproof This time, baby, I'll be bulletproof I won't let you turn around And tell me now, I'm much too proud To walk away from something when it's deadDo, do, do your dirty words Come out to play when you are hurt? There's certain things that should be left unsaidTick, tick, tick, tick on the watch And life's too short for me to stop Oh baby, your time is running outI won't let you turn around And tell me now I'm much too proud All you do is fill me up with doubtThis time, baby, I'll be bulletproof This time I'll be bulletproof This time I'll be bulletproof This time, baby, I'll be bulletproof
