The Climb

Miley Cyrus

I can almost see it That dream I'm dreaming, but There's a voice inside my head saying You'll never reach itEvery step I'm taking Every move I make feels Lost with no direction My faith is shakingBut I, I gotta keep trying Gotta keep my head held highThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna have to lose Ain't about how fast I get there Ain't about what's waiting on the other side It's the climbThe struggles I'm facing The chances I'm taking Sometimes might knock me down, but No, I'm not breakingI may not know it But these are the moments that I'm gonna remember most, yeah Just gotta keep goingAnd I, I gotta be strong Just keep pushing on, 'causeThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes I'm gonna have to lose Ain't about how fast I get there Ain't about what's waiting on the other side It's the climb YeahThere's always gonna be another mountain I'm always gonna wanna make it move Always gonna be an uphill battle Sometimes you're gonna have to loseAin't about how fast I get there Ain't about what's waiting on the other side It's the climb Yeah, yeahKeep on moving, keep climbing Keep the faith, baby It's all about, it's all about the climb Keep your faith, keep your faith Whoa Song Discussions is protected by U.S. Patent 9401941.
