

Thanks

Paul Alone & Lazaro

Thanks for all the times that you made me laugh
Thanks for making me feel like I was the only one
Thanks for every night that you stood by my side
Thanks for every day that you yelled me to stay
Thanks for showing up when we barely knew
each other
Thanks for helping me stand up when I was fucking hammered
Thanks for that first kiss on a lost night of spring
Thanks for giving me new excuses to sing
Thanks (a) for being the one
who kissed me when I was crying
thanks (a) for hugging me
when everything seemed to be breaking
Thanks (a) for being the one
who kissed me when I was crying
thanks (a) for hugging me
when everything seemed to be breaking
Thanks to your mother for helping every minute
Thanks to your words for healing every night
Thanks to your whole family for how was I treated
Thanks to all of them for supporting all your fights
Thanks to your kindness for understanding
me
Thanks for the shit that you had to agree
Thanks for the times you had to bend your knee
And thanks for making
Me in this fucking world feel like I was free
Thanks (a) for being the one
who kissed me when I was crying
thanks (a) for hugging me
when everything seemed to be breaking
Thanks (a) for being the one
who kissed me when I was crying
thanks (a) for hugging me
when everything seemed to be breaking
I can't say anything bad about you
I can't blame anything to you
I just want you to listen I just want to forget
I just want you to know there will be no regret
