

Potty Mouth

Don Broco

Don't give a damn about nothing
Don't give a damn about you
Don't give a damn about nothing, nothing, nothing, nothing Okay, it's
It's been a hell of a day
But don't sweat it
You want notorious, you want notorious?
Sing La-la-la-la-la-la
La-la-la-la-la
La-la-la-la-la-la
La-la-la-la-la
They don't want no crying girls in the videos Don't give a fuck about nothing
Don't give a fuck about you
Sing La-la-la-la-la-la Oh, you got a song about songs
You're so meta
It could be glorious, it could be glorious
I make 'em all sing La-la-la-la-la
La-la-la-la-la-la
La-la-la-la-la They don't want no crying girls in the videos Okay, okay
We had a hell of a day
You don't get it
They don't want no potty mouth on the radio
Don't give a fuck about nothing
Don't give a fuck about you
Never give a fuck about nothing
If it gonna fly with you
Don't give a fuck about nothing
Don't give a fuck about you
Sing La-la-la-la-la-la-la-la-la-la How'd you like if I came to you
Told ya how to work your A&R and sell this tune
"Pull the other, yeah go pull the other
Yeah try pulling the other, the other one"
How'd you like if I came to you
You'd tell me "pull the other, the other one"
How'd you like if I came to you
Cause I did now I'm fucking up your afternoon So you want more happy girls in the video Okay,
okay
We had a hell of a day
You don't get it
As long as you get what you want in our video Don't give a fuck about nothing
Don't give a fuck about you
Never give a fuck about nothing
If it gonna fly with you

Don't give a fuck about nothing
About nothing, about nothing
Don't give a fuck about nothing
About nothing I got something to say Too many people in the club
Not enough people showing me love
So many people I can't think, ah
You better give me something to drink Too many people in the club
Not enough people showing me love, ah
So many people I can't think
You better give me something to drink
