

Mama

Rudy Mancuso

She said "I never want to leave you but I gotta go"
And then she left me for a reason that I'll never know
 But I don't mind
 I'm feeling fine
My mama told me all the things that I already know
Sometimes I feel it in my bones just like an animal
 She's on my mind
 I guess I'm not alright
 But...
I've been through this shit so many times
 And I can't deny
 I'll give you one more try
I'm hoping things go differently this time
 'Cause she could be right
 She could be right.
Mama told me "Play it cool"
 But I can't help if I'm a fool
 And in my mind there's only you
 'Cause happy endings I can't choose
 I guess I'll play it cool.
She says you're going way too fast, you gotta take it slow
 This love is like a plant, we gotta let it grow
 And I said "Why?"
 "Sounds like a waste of time"
I'm getting tired of tryna be what you want me to be
But mama told me that I can't keep playing hide and seek
 She's on my mind
 I'm not gonna lie
 But...
I've been through this shit so many times
 And I can't deny
 I'll give you one more try
I'm hoping things go differently this time
 'Cause she could be right
 She could be right.
Mama told me "Play it cool"
 But I can't help if I'm a fool
 And in my mind there's only you
 'Cause happy endings I can't choose
 I guess I'll play it cool.
I call the same old things so many times
 Some things in life

You just can't rewind
Things don't seem to change although I try
And I know why
And I know why
