

# Johnny

## NONONO

This case is closed  
You're on your way to another  
And all I know  
Please me no  
Which way we go, go? Wanna go where Johnny goes Go, go Johnny  
Go, go Johnny  
Go, go, go, Johnny  
When he goes alone  
Watch he falls  
He walks alone  
Until he comes  
The time is until the day  
All day, day or dawn, please let me go  
Which way we go? Go Wanna go where Johnny goes Go, go Johnny  
Go, go Johnny  
Go, go, go, Johnny But I still hear the sound  
Oh, it's all around  
I just wanna go where Johnny is  
Wanna go where Johnny goes Go, go Johnny  
Go, go Johnny  
Go, go, go, Johnny
