

Got the T-Shirt

Blake Shelton

If my heart was, just a destination
She had herself one hell of a vacation
If my kiss was, just the main attraction
She wore it out like it was going out of fashion
If my touch was just some kind of ride
Then she loved that roller-coaster
I guess she, came down from that high
When it was over, it was over
She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't comin' back
Whoa oh wow, whoa oh wow
That's the last I'll see of her
Whoa oh wow, whoa oh wow
She's been there, got the t-shirt
I wonder if she'll, just throw it in a closet
Or keep it out and, tell her friends just how she got it
I wonder if she's sleeping in it, dreaming in it
Wonder if she knows what she did to me in it
She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't comin' back
Whoa oh wow, whoa oh wow
That's the last I'll see of her
Whoa oh wow, whoa oh wow
She's been there, got the t-shirt
With Stones on the front
Tour dates on the back
Took it when she left
Took a lot more than that
Whoa oh wow, whoa oh wow
She did what she came to do
Saw what she came to see
Took a good look around
Made her some memories
Never been there before
She crossed it off the map
Pedal down to the floor
Now she ain't comin' back
Whoa oh wow, whoa oh wow

That's the last I'll see of her
Whoa oh wow, whoa oh wow
She's been there, got the t-shirt
