

# Everything Changes

## Take That

Girl, come over here  
Let me hold you for a little  
And remember  
I'll always love you  
Forever more Everything changes but you We've said goodbye, the taxi cab is waiting  
Now don't you cry, just one more kiss  
Before I have to go  
Hey girl I know the situation's changed (situation changed)  
And so much is new but something in my life  
Remains the same cause  
Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know every single day  
I'll be thinking about you The rumour's true, you know that there've been others  
What can I do, I tell you baby they don't mean a thing  
Now girl don't go and throw our love away  
I'll be home soon back in your arms to hear you say that Everything changes but you  
We're a thousand miles apart  
But you know I love you  
Everything changes but you  
You know every single day  
I'll be thinking about you girl  
Everything changes but you  
We're a thousand miles apart  
But I still love you, I do  
Everything changes but you  
I'll spend every single day  
Thinking about you Though everything changes around us  
(Baby don't you cry)  
We will be the same as before forever more Everything changes but you  
We're a thousand miles apart  
And I miss you baby  
Everything changes but you  
You know every single day  
I'll be thinking about you girl Everything changes but you  
I'll be thinking about you  
Thinking about you  
Everything changes but you  
Cause you know I love you  
Know that I love you Everything changes but you

I'll be thinkin' about you  
Thinking about you  
Everything changes but you  
I love you, I love you
