

# Meet the Creeper

Rob Zombie

(The Devil is in all you!) Creature core you can't ignore  
I got a 5000 fingers of dead yeah  
A Rats are we you can't break free  
You're with the livin' on your bed yeah! Meet the creeper, dig it deeper!  
Meet the creeper, yeah!  
Yeah!  
I see the dead in your eyes!  
I transform in the skies! Stabbin out the city's crowd  
Like a dagger fallin on your baby  
Thrill the kill I know you will  
Feed the monster and the lady  
Meet the creeper, dig it deeper!  
Meet the creeper, yeah!  
Yeah!  
I see the dead in your eyes!  
I transform in the skies! Creature core you can't ignore  
I got a 5000 fingers of dead yeah  
A rats are we you can't break free  
You're with the livin' on your bed yeah! Meet the creeper, dig it deeper!  
Meet the creeper, yeah!  
Yeah!  
I see the dead in your eyes!  
I transform in the skies!  
Meet the creeper ahhhh  
Meet the creeper ahhhh  
Meet the creeper ahhhh
