

# I'm In Love With a Monster

## Fifth Harmony

Oh, he'll buy me a thorn before he buy me a rose  
Be covered in dust before I'm covered in gold  
He's trying it on, yeah, he's taking me out  
Say what you want but I will never be told  
Cause I'm in love with a monster Friends say I'm stupid and I'm out of my mind  
But without you boy, I'd be bored all the time  
No, I don't really care for the same conversation  
Got everything I need, and I'd rather be chasing  
Chasing love with a monster I'm in love (I'm in love)  
I'm in love (I'm in love)  
I'm in love with a monster  
I'm in love (I'm in love)  
I'm in love (I'm in love)  
I'm in love with a monster  
I'm in love with a monster  
Wrap me in leather before you wrap me in lace  
We breaking rules like we changing the game  
He's trying it on, yeah, he's taking me out  
Say what you want but I will never be told  
I'm in love with a monster My daddy told me, I should have better taste  
But I'd rather pay to see the look on his face  
No, I don't really care for the lame conversation  
Got everything I need, and I'd rather be chasing  
Chasing love with a monster I'm in love (I'm in love)  
I'm in love (I'm in love)  
I'm in love with a monster  
I'm in love (I'm in love)  
I'm in love (I'm in love)  
I'm in love with a monster  
Sweeter you try, they don't get love from it  
Ain't worth a dime cause I just don't get enough from it  
(Leave it to me, don't you see, I don't run from it)  
Bitter the better, hey, hey, hey, hey  
You make me crazy, but I love it You make me crazy baby, but I love it  
You make me crazy, but I love it  
You make me crazy baby, but I love it  
I'm in love with a monster  
(Everybody now) Did you know (Did you know)  
Did you know (Did you know)  
Everybody loves a monster  
Did you know (Did you know)  
Did you know (Did you know)

Everybody loves a monster (yeah)  
I'm in love (we're in love) with a monster  
I'm in love  
I'm in love with a monster  
Are you in love with the monster?  
I'll never find another monster  
I wanna know, I wanna know  
I'm in love with a monster  
(Hit me, hit me, hit me  
1, 2, 3, 4, 5, 6, 7, 8  
Thank you, goodnight)
