## I'm In Love With a Monster

## **Fifth Harmony**

Oh, he'll buy me a thorn before he buy me a rose

Be covered in dust before I'm covered in gold

He's trying it on, yeah, he's taking me out

Say what you want but I will never be told

Cause I'm in love with a monsterFriends say I'm stupid and I'm out of my mind

But without you boy, I'd be bored all the time

No, I don't really care for the same conversation

Got everything I need, and I'd rather be chasing

Chasing love with a monsterI'm in love (I'm in love)

I'm in love (I'm in love)

I'm in love with a monster

I'm in love (I'm in love)

I'm in love (I'm in love)

I'm in love with a monster

I'm in love with a monster

Wrap me in leather before you wrap me in lace

We breaking rules like we changing the game

He's trying it on, yeah, he's taking me out

Say what you want but I will never be told

I'm in love with a monsterMy daddy told me, I should have better taste

But I'd rather pay to see the look on his face

No, I don't really care for the lame conversation

Got everything I need, and I'd rather be chasing

Chasing love with a monsterI'm in love (I'm in love)

I'm in love (I'm in love)

I'm in love with a monster

I'm in love (I'm in love)

I'm in love (I'm in love)

I'm in love with a monster

Sweeter you try, they don't get love from it

Ain't worth a dime cause I just don't get enough from it

(Leave it to me, don't you see, I don't run from it)

Bitter the better, hey, hey, hey, hey

You make me crazy, but I love it You make me crazy baby, but I love it

You make me crazy, but I love it

You make me crazy baby, but I love it

I'm in love with a monster

(Everybody now)Did you know (Did you know)

Did you know (Did you know)

Everybody loves a monster

Did you know (Did you know)

Did you know (Did you know)

Everybody loves a monster (yeah)
I'm in love (we're in love) with a monster
I'm in love
I'm in love with a monster
Are you in love with the monster?
I'll never find another monster
I wanna know, I wanna know
I'm in love with a monster
(Hit me, hit me, hit me
1, 2, 3, 4, 5, 6, 7, 8
Thank you, goodnight)
