

# Through the Dark

[Alexi Murdoch](#)

Someone reaching for me now  
Through the dark, reaching for me now  
OooohSomeone reaching for me now  
Through the dark, reaching for me nowYou need someone to hear you when you sigh  
Someone to wipe away those tears you cry  
Someone to hold you 'neath the darkened sky  
Someone to love you more than I  
Ooooh  
I love you girl,  
I love you more than I can say  
I love you girl,  
I love you more than I can say  
Even with my heart in the way  
Ooooh
