## **Summit (feat. Ellie Goulding)**

## **Skrillex**

A silent heart ticking under the ground.

Taking the weight from which has yet to be found.

If you can hear me now why don't you recall.

I was the one who loved you after all. A silent heart ticking under the ground.

Taking the weight from which has yet to be found.

If you can hear me now why don't you recall.

I was the who loved you after all. A silent heart ticking under the ground.

Taking the weight of which has yet to be found.

If you can hear me now why don't you recall.

A silent heart ticking under the ground.

Taking the weight from which has yet to be found.

If you can hear me now why don't you recall.

I was the who loved you after all.
