## Taxi

## **Harry Chapin**

It was raining hard in 'Frisco I needed one more fare to make my night A lady up ahead waved to flag me down She got in at the light"Oh where you going to, my lady blue It's a shame you ruined your gown in the rain" She just looked out the window She said, "Sixteen Parkside Lane"Something about her was familiar I could swear I'd seen her face before But she said, "I'm sure you're mistaken" And she didn't say anything moreIt took a while, but she looked in the mirror And she glanced at the license for my name A smile seemed to come to her slowly It was a sad smile, just the same And she said, "How are you Harry?" I said, "How are you Sue? Through the too many miles and the too little smiles I still remember you."It was somewhere in a fairy tale I used to take her home in my car We learned about love in the back of the Dodge The lesson hadn't gone too farYou see she was gonna be an actress And I was gonna learn to fly She took off to find the footlights And I took off to find the skyOh, I've got something inside me To drive a princess blind There's a wild man, wizard He's hiding in me, illuminating my mind. Oh, I've got something inside me But it's not what my life's about, Cause I've been letting my outside tide me Over 'till my time, runs outBaby's so high that she's skying Yes she's flying, afraid to fall I'll tell you why baby's crying Cause she's dying, aren't we all There was not much more for us to talk about Whatever we had once was gone So I turned my cab into the driveway Past the gate and the fine trimmed lawnsAnd she said we must get together But I knew it'd never be arranged And she handed me twenty dollars for a two fifty fare She said, "Harry, keep the change."Well another man might have been angry And another man might have been hurt But another man never would have let her go I stashed the bill in my shirtAnd she walked away in silence

It's strange how you never know But we'd both gotten what we'd asked for Such a long, long time agoYou see she was gonna be an actress And I was gonna learn to fly She took off to find the footlights And I took off for the skyAnd here, she's acting happy Inside her handsome home And me, I'm flying in my taxi Taking tips and getting stonedI go flying so high, when I'm stoned
