

Old Friends And Dead Ends

Bloody Sunday

You won't
Let me down again
Those days are over
And we're no longer friends
You chose drugs
Over all we've made
I can't go back
Things just wouldn't
Be the same
You really let me down again
I thought that things were
Different from what others said
I heard them say
I should have let it go
I can't
There's no way
I felt like i was betrayed Now i see your world is crashing down
All those new freinds
Are nowhere to be found
I gave up on you
So long ago
The same time
That you let us go
I won't fall down
I won't be dragged out
You know things
That can hurt me
But i won't let you get
That close anymore
You know the ones
I hold dear to my heart
But i burned your bridges down
