

# Old Friends And Dead Ends

## Bloody Sunday

You won't  
Let me down again  
Those days are over  
And we're no longer friends  
You chose drugs  
Over all we've made  
I can't go back  
Things just wouldn't  
Be the same  
You really let me down again  
I thought that things were  
Different from what others said  
I heard them say  
I should have let it go  
I can't  
There's no way  
I felt like i was betrayed Now i see your world is crashing down  
All those new freinds  
Are nowhere to be found  
I gave up on you  
So long ago  
The same time  
That you let us go  
I won't fall down  
I won't be dragged out  
You know things  
That can hurt me  
But i won't let you get  
That close anymore  
You know the ones  
I hold dear to my heart  
But i burned your bridges down
