

Oh Lonesome Me (feat. Lucinda Williams)

M. Ward

Everybody's going out, having fun
I'm a fool for staying home and having none
I can't get over how I got set free
Oh, lonesome me Must be some way I can lose these lonesome blues
Forget about my past and find someone new
I thought of everything from A to Z
Oh, lonesome me, oh, lonesome me Oh, and I bet she's not like me, she's out and fancy free
Dancing with the boys with all their charms
Oh, but I still love her so, oh and brother, don't you know
That I would welcome her right back here in these arms
Bad mistake I'm making by just hanging around
I know that I should have some fun and paint the town
A lovesick fool is blind and just can't see
Oh, lonesome me, oh, lonesome me
