

# Vampires Will Never Hurt You

## My Chemical Romance

And if they get me and the sun goes down into the ground  
And if they get me take this spike to my heart and  
And if they get me and the sun goes down  
And if they get me take this spike and  
You put the spike in my heart!!! And if the sun comes up will it tear the skin right off our bones  
And then as razor sharp white teeth rip out our necks I saw you there  
Someone get me to the doctor, someone get me to a church  
Where they can pump this venom gaping hole  
And you must keep your soul like a secret in your throat  
And if they come and get me  
You put the spike in my heart  
And if they get me and the sun goes down  
And if they get me take this spike and Can you take this spike?  
Will it fill our hearts with thoughts of endless  
Night time sky  
Can you take this spike?  
Will it wash away this jet black feeling? And now the nightclub sets the stage for this  
they come in pairs she said  
We'll shoot back holy water  
like cheap whiskey they're always there  
Someone get me to the doctor, and someone call the nurse  
And someone buy me roses, and someone burn the church  
We're hanging out with corpses, and driving in this hearse  
And someone save my soul tonight, please save my soul  
Can you take this spike?  
Will it fill our hearts with thoughts of endless  
Night time sky  
Can you take this spike?  
Will it wash away this jet black now? And as these days watch over time,  
and as these days watch over time  
And as these days watch over us tonight I'll never let them, I'll never let them  
I'll never let them hurt you not tonight  
I'll never let them, I can't forget them  
I'll never let them hurt you, I promise Struck down, before our prime  
Before, you got off the floor  
Can you stake my heart? Can you stake my heart? Can you stake my heart? Can you stake my  
heart?  
Can you stake my heart? Can you stake my heart?  
Can you stake me before the sun goes down?
