

# I Saw

**Matt Nathanson**

And it's amazing  
With the look in your eyes  
Like you could save me  
But you won't even try  
And then you tell me again  
How everything will be alright And if I told you  
That I'm sorry  
Would you tell me that you were wrong  
Or would you hold me down forever  
If I came to your for answers And I saw  
Pictures in my head  
And I swear I saw you opening up, again  
And I'm surrounded  
You spill  
All alive and brand new  
And I'll forget about you long enough  
To forget why I need to And I saw  
Pictures in my head  
And I swear I saw you opening up again  
Cause I would be heavenly if  
Baby you'd just rescue me now The days are  
Drifting away from me  
I still wake up  
Burning through everything  
It's all I know  
Somebody save me now  
And I saw  
Pictures in my head  
And I swear I saw you opening up again  
I would be heavenly if  
Baby you'd just rescue me now  
Pictures in my head  
I saw you opening up again  
Cause I would be heavenly if  
Baby you'd just rescue me now
