

# Easy

## Deer Tick

I woke up this morning, I was feeling that this should end  
Using all that time, and all my lucky friends  
I've got a bad defense, and it's not just circumstance  
That put me here, in a bad, bad place where I stand  
Oh, and you don't know, how easy it is  
No, you don't know, how easy it is  
You were never there  
No, never there  
Out of the door  
With the devil in my eyes  
Well, that son of a bitch crossed me once  
But he won't cross me twice  
Little angel on my shoulder  
Well she better be right  
She got me flyin' like a wild man  
In the middle of the night  
Oh, and you don't know, how easy it is  
No, you don't know, how easy it is  
You were never there  
No, never there  
This whole world, and everything you see  
There ain't nothing that'll keep you from, from getting to me  
No, you don't know, how easy it is  
No, you don't know, how easy it is  
You got no idea, how easy it is  
No, you don't know, how easy it is  
You were never there  
No, never there  
Never there  
You were never there
