Like a Rock

Jennifer Nettles

Stood there boldly Sweatin' in the sun Felt like a million Felt like number one The height of summer I'd never felt that strong Like a rockI was eighteen Didn't have a care Working for peanuts Not a dime to spare But I was lean and Solid everywhere Like a rock My hands were steady My eyes were clear and bright My walk had purpose My steps were quick and light And I held firmly To what I felt was right Like a rockLike a rock, I was strong as I could be Like a rock, nothin' ever got to me Like a rock, I was something to see Like a rockAnd I stood arrow straight Unencumbered by the weight Of all these hustlers and their schemes I stood proud, I stood tall High above it all I still believed in my dreams Twenty years now Where'd they go? Twenty years I don't know Sit and I wonder sometimes Where they've goneAnd sometimes late at night When I'm bathed in the firelight The moon comes callin' a ghostly white And I recall I RecallLike a rock. standin' arrow straight Like a rock, chargin' from the gate Like a rock, carryin' the weight Like a rockLihe a rock, the sun upon my skin Like a rock, hard against the wind

Like a rock, I see myself again Like a rock Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
