

One Vision

Queen

One man, one goal
One mission
One heart, one soul
Just one solution
One flash of light
One God, one vision One flesh, one bone
One true religion
One voice, one hope
One real decision
Gimme one vision No wrong, no right
I'm gonna tell you there's no black and no white
No blood, no stain
All we need is one world wide vision
One flesh one bone
One true religion
One race one hope
One real decision I had a dream when I was young
A dream of sweet illusion
A glimpse of hope and unity
And visions of one sweet union But a cold wind blows
And a dark rain falls
And in my heart it shows
Look what they've done to my dreams So give me your hands
Give me your hearts
I'm ready
There's only one direction
One world, one nation
One vision
No hate, no fight
Just excitation
All through the night
It's a celebration One vision One flesh, one bone
One true religion
One voice, one hope
One real decision Gimme one light
Gimme one hope
Just gimme
One man, one man
One bar, one night
One day hey hey
Just gimme, gimme
Gimme, gimme
