## Wish You Were Here

## **Incubus**

I dig my toes into the sand The ocean looks like A thousand diamonds Strewn across a blue blanket I lean against the wind Pretend that I am weightless And in this moment I am happy, happy I, wish you were here I lay my head onto the sand The sky resembles A backlit canopy With holes punched in it I'm counting ufos I signal them with My lighter And in this moment I am happy, happy I, wish you were here I, wish you were here I, wish you were Here Wish you were here I, oh The world's a rollercoaster And I am not strapped in Maybe I should hold with care But my hands are busy in the air saying: I, wish you were here I wish you were I wish you were here I wish you were here I wish you were Here Wish you were here
