

# SMS (Bangerz) [feat. Britney Spears]

## Miley Cyrus

Bangerz (bangerz)  
(Mike WiLL, yeah!) Fucking bangerz (bangerz)  
(No drama) Bangerz (bangerz)  
F-F-Fucking bangerz All the way in the back  
With a tree on my lap  
All the boys like to ask me  
What you doing with that  
(Yeah, yeah) You say you love me  
I ain't foolin' with that  
They ask me how I keep a man  
I keep a battery pack, (Yeah, yeah)  
One day he want's me  
One day he wants me not  
I don't do chances  
'Cause time just ain't what I got  
If he's like that, I got a world tour  
Doesn't need me at  
I can't be sitting 'round here, waiting on a man  
Tell where the fuck my seat be at  
Where Mike WiLL at She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
I be strutting my stuff (bangerz)  
She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
She strutting that stuff, that stuff  
Fucking bangerz (bangerz)  
She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
I be strutting my stuff (bangerz)  
She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
I be strutting my stuff (bangerz)  
I'm flyin' high upon a bird  
Acrophobia  
I slicked, caught her eyeing down my purse  
Where that dollars at  
I let 'em know the rents due on the first (first)  
They can call a here, 'cause if there's any violation  
I go off with that  
Cat-walk, slick-talk, flirtin' with them big dog  
Why I need these milli's when I got Billy on the speed dial  
You know I'm on the meow

Quit to scratch your eyes out  
Strutting on the court, make 'em nervous, calling time out  
I can strut on my stuff  
Bangerz (bangerz)  
I be strutting my stuff  
I can strut on my stuff  
Bangerz (bangerz)  
Fucking bangerz  
She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
I be strutting my stuff (bangerz)  
She strutting that stuff, that stuff, that stuff  
Bangerz (bangerz)  
I be strutting my stuff (bangerz) The play boss, the play  
Got to get that big rock  
Slip that on my hand  
Make that media big talk  
The play boss, the play  
Sike that must be the purple  
Got up in my brain  
Had me a lil' bit dismal  
Bangerz (bangerz)  
Fucking bangerz (bangerz)  
Bangerz (bangerz)  
(I, I, I)  
(I, I, I)  
(I, I, I)  
(I, I, I)
