The Lady In Red

Stan Getz

I've never seen you looking so lovely as you did tonight I've never seen you shine so bright I've never seen so many men ask you if you wanted to dance They're looking for a little romance, give'em half a chance And I've never seen that dress you're wearing Or that highlights in your hair that catch your eyes, I have been blindThe lady in red is dancing with me cheek to cheek There's nobody here, it's just you and me, it's where I wanna be But I hardly know this beauty by my side I'll never forget the way you look tonight I've never seen you looking so gorgeous as you did tonight I've never seen you shine so bright, you were amazing I've never seen so many people want to be there by your side And when you turned to me and smiled it took my breath away And I have never had such a feeling Such a feeling of complete and utter love, as I do tonightThe lady in red is dancing with me cheek to cheek There's nobody here, it's just you and me, it's where I wanna be Well I hardly know this beauty by my side I'll never forget the way you look tonight I never will forget the way you look tonight The lady in red, my lady in red My lady in red, my lady in red I love you
