

# The Canadian Snacktime Trilogy II: Popcorn

## Barenaked Ladies

I wake up in the morning, I got to sleep at night  
But a day without snack time that just isn't right  
Oh snack time, oh snack time How I love the vision of people everywhere  
In harmony together and each one has their share  
Oh at snack time, oh snack time Snack time, snack time, talkin' 'bout snack time  
Snack time, snack time, oh snack time Oh snack time, oh snack time  
Oh snack time
