Say So

Doja Cat

Day to night to morning, keep with me in the moment I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with You got to keep me focused. You want it? Say so Day to night to morning, keep with me in the moment I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with

You got to keep me focused. You want it? Say soIt's been a long time since you fell in love You ain't coming out your shell, you ain't really been yourself

Tell me, what must I do to tell my love?

'Cause luckily I'm good at reading
I wouldn't fuck him, but he won't stop chasin'

And we can dance all day around it

If you front, then I'll be bouncing
If you want it, scream and shout it, babe

Before I leave you dry

Day to night to morning, keep with me in the moment I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with You got to keep me focused. You want it? Say so Day to night to morning, keep with me in the moment

I'd let you had I known it, why don't you say so? Didn't even notice, no punches left to roll with

You got to keep me focused. You want it? Say so (Yeah)Let me check my chest, my breath right quick (Ha)

He ain't never seen it in a dress like this (Ah) He ain't never even been impressed like this Prolly why I got him quiet on the set like zip

> Like it, love it, need it, bad Take it, own it, steal it, fast Boy, stop playing, grab my ass Why you actin' like you shy? Shut it, save it, keep it, push Why you beating 'round the bush?

> Knowing you want all this woman

Never knock it 'til you try (Yah, yah)

All of them bitches hating I have you with me All of my niggas saying you mad committed

Realer than anybody you had, and pretty

All of that body I need ass and titties

Day to night to morning, keep with me in the moment I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with You got to keep me focused. You want it? Say so Day to night to morning, keep with me in the moment I'd let you had I known it, why don't you say so? Didn't even notice, no punches left to roll with You got to keep me focused. You want it? Say so
