

Love Bites (So Do I)

Halestorm

Don't listen what your girlfriend says
She reads those magazines
That say you failed the test

You don't have what she needs

I slither like a viper

And get you by the neck

I know a thousand ways

To help you forget about her

That bitch can eat her heart out...

Love bites

But so do I
So do I

Love bites

But so do I

So do I

LOVE BITES!

My lips are pale and vicious

You're foaming at the mouth
You've suffered in the darkness?

Well, I'll suck the pain right out!

So come and taste the reason

I'm nothing like the rest

I'll kiss you in a way

You'll never forget about me

That chick can eat her heart out...

Love bites

But so do I
So do I

Love bites

But so do I

So do I

So do I...

It tucks you in and kicks you down
It chews you up and spits you out

It messes with your sanity

By twisting all your thoughts around

They say it's blind

They say it waits
But every time it seals your fate

Now it's got you by the balls

And won't let go until you fall

I WAS DOWN AND OUT, GOT UP!

I SAID "HEY LOVE, I'VE HAD ENOUGH!"
I'VE FELT PLEASURE WITHOUT PAIN!

MY SOUL, YOU'LL NEVER TAKE!

Love bites

But so do I...-Solo-

Love bites

But so do I

So do I

Love bites
But so do I
So do I
So do I
Love bites
(And so do I
So do I)
Love bites
Love BITES!
