

# death bed (feat. beabadoobee)

## Powfu

Don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed Yeah...  
I don't wanna fall asleep, I don't wanna pass away  
I been thinking of our future cause I'll never see those days  
I don't know why this has happened, but I probably deserve it  
I tried to do my best, but you know that I'm not perfect  
I been praying for forgiveness, you been praying for my health  
When I leave this earth, hoping you'll find someone else  
Cause yeah, we still young there's so much we haven't done  
Getting married, start a family, watch your husband with his son  
I wish it could be me, but I won't make it off this bed  
I hope I go to heaven, so I see you once again  
My life was kinda short, but I got so many blessings  
Happy you were mine, it sucks that it's all ending  
Don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed And I, don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed I'm happy that you're here with me, I'm sorry if I tear up  
When me and you were younger you would always make me cheer up  
Taking goofy videos while walking through the park  
You would jump into my arms every time you heard a bark  
Cuddle in your sheets, sang me sound asleep  
And sneak out through your kitchen at exactly 1:03  
Sundays went to church, on Mondays watched a movie  
Soon you'll be alone, sorry that you have to lose me  
Don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed And I, don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed Don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed And I, don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head

It'll get you up and going out of bed And I, don't stay awake for too long  
Don't go to bed  
I'll make a cup of coffee for your head  
It'll get you up and going out of bed
