

# Pray

## Bebe Rexha

I pray to god  
That he makes me feel alright  
Hope he gets me through this one more night  
I pray to god  
He's like one too many drinks and my intuition starts to sink  
It's like ba da da da da  
Your shadows, they follow and they're haunting me  
Ba da da da  
Where'd you go, this hollow soul is so lonely I'm on my knees  
Begging pretty please  
I'm so love drunk stupid off these memories  
Mother Mary please have mercy over me  
The sun came up and i can't believe you're over me  
When I'm hung over you  
When I'm hung over you  
I swear to god  
That I won't do this again  
I already wasted all my sins  
I swear to god  
I'm so sick of what you do but I'll never get enough of you  
It's like ba da da da da  
Your shadows, they follow and they're haunting me  
Ba da da da  
Where'd you go, this hollow soul is so lonely I'm on my knees  
Begging pretty please  
I'm so love drunk stupid off these memories  
Mother Mary please have mercy over me  
The sun came up and i can't believe you're over me  
When I'm hung over you  
When I'm hung over you  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
When I'm hung over you, you, you  
You, you, you I'm on my knees  
Begging pretty please  
I'm so love drunk stupid off these memories  
Mother Mary please have mercy over me

The sun came up and i can't believe you're over me  
When I'm hung over you  
When I'm hung over you I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
I swear to god  
When I'm hung over
