

# Empty

## Combichrist

Say nothing...  
Empty promises...  
Wreckage...  
Unforgiven...  
For all...FOR THEIR EYES  
FOR THEIR EYESKILL. ME.  
SPARE. ME.  
KILL. ME.  
FEAR. ME  
I'm so sick of this...  
Swinging the hammer...  
Seeing too much...  
I don't think I'll...  
Get through...  
Empty.LIE TO ME  
LIE TO MEKILL. ME.  
SPARE. ME.  
KILL. ME.  
FEAR. ME  
So far gone...  
Harvest the bad dreams...  
Bury them...  
KILL. ME.  
SPARE. ME.  
KILL. ME.  
FEAR. ME
