

# Glorious

Adam Friedman

After searching trying to find ya  
I thought I'd lost my luck, But I'd never thought in a million years That you would just walk right  
up (huh-huuh)  
Now that I found your love I could never let you down  
Even when the times gets rough Nothing's gonna stop us now...  
We'll grow old and we'll never be alone  
And no matter where we roam  
We'll be Gloooooorious We'll be glorious and you know it's true (huh-huuh) Now we're glowing  
like a fire illuminating from within  
So we keep on climbing higher to the sky we're going where we've never been Now that we set  
us free (HEY!)  
Nothing's going to hold us down (HEY!) Even when the times gets rough (HEY!)  
We'll never lose the fight in us We'll grow old and we'll never be alone And no matter where we  
roam  
We'll be Gloooooorious (HEY!) We'll grow old and we'll never be alone  
And no matter where we roam We'll be Gloooooorious  
We'll be glorious and you know it's true  
You and I we're never gonna rest  
Keep up the dream like it's life or death  
And you and I we're never giving in  
Never giving in, never giving in  
And you and I we're never gonna rest  
Keep up the dream like it's life or death  
And you and I we're never giving in  
Never giving in,  
We're never giving never giving...  
We'll grow old and we'll never be alone  
And no matter where we roam  
We'll be Gloooooorious (HEY!)  
We'll grow old and we'll never be alone  
And no matter where we roam  
We'll be Gloooooorious  
We'll be glorious and you know it's true  
(huh-huuh)
