

Treat Me Like Your Mother

The Dead Weather

Don't act like you can't act
i know i seen you do it
you better learn to shake hands
and treat me like your motherDon't act like you can't act
stand up like a man
you better learn to shake hands
and treat me like your motherYou came on too late
You came on too late now
You came on too late
to do a thingC'mon look me in the eye
you want to try to tell a lie
i bet you can't and you know why
i'm just like your mother
aa look me in the eye now
you want to try to tell a lie
you can't and you know why
i'm just like your motherYou came on too late
You came on too late now
You came on too late
