

Cosmic Warrior

Kid Cudi

Since birth it was prophecy
Cosmic Warrior
Surrounded by infinite light
Surrounded by infinite light
Since birth it was prophecy
Cosmic Warrior
Cosmic Warrior,
Surrounded by infinite light
Surrounded by infinite light Let you go, let you go
Let you go, let you gooo
Let you go-o-owoah, let you go-o
Let you go-o-owoah, let you go
Let you go, let you go
Let you go, let you go
I took a swan dive
Wall behind me
Metaphor for the life of mine
Searching far and wide
Never needed to, overdrive
Kept it close, no ends
Must have stayed true, to who I am
They always knew, what to do Since birth it was prophecy
Cosmic Warrior
Surrounded by infinite light
Surrounded by infinite light
Hmm, Since birth it was prophecy
Cosmic Warrior
Cosmic Warrior
Surrounded by infinite light
Let you go, let you go
Let you go, let you gooo
Let you go-o-owoah, let you go-oo
Let you go-o-owoah-oMmmm
Mmmm
MmmmI t-t-took a swan dive
T-took a swan dive, took a swan dive
Hmmm, mhmm, mhmm
