

# I'm Every Woman

Chaka Khan

I'm every woman, it's all in me  
Anything you want done, baby  
I'll do it naturally  
I'm every woman, it's all in me  
I can read your thoughts right now  
Every one from a to z  
I can cast a spell With secrets you can't tell  
Mix a special brew  
Put fire inside of you  
But anytime you feel  
Danger or fear  
Instantly I will appear, 'cause  
I can sense your needs Like rain on to the seeds  
I can make a rhyme  
Of confusion in your mind  
And when it comes down  
To some good old fashioned love  
That's what I've got plenty of, 'cause  
I ain't braggin' 'cause I'm the one  
You just ask me ooh and it shall be done  
And don't bother to compare  
'cause I've got it  
I've got it, I've got it, yeah  
I'm every woman (repeat and fade)
