Whiskey Glasses

Morgan Wallen

Pour me, pour me another drink
Cause I don't wanna feel a thing
No more hell no, I just wanna
sip it til the pain wears off
Pour me, pour me another round
Line'em up and knock'em down
two more let's go, cause I ain't never

hurt like this beforeDon't wanna think about her, or wear a ring without her Don't wanna hit the karaoke bar can't sing without herSo make them drinks strong, cause brother she's gone

And if I'm ever gonna move on

I'ma need some whiskey glassesCause I don't wanna see the truth She's probly makin' out on the couch right now with someone new

Yea I'ma need some whiskey glasses

If I'm gonna make it through

If I'ma be single I'ma need a double shot of that heartbreak proof And see the world through whiskey glassesSee the world through whiskey glasses

Last call, I swear this'll be my last call

Now I ain't drunk dialin' no more at 3am

Mr Bartender hit me again

Don't wanna think about her, or wear a ring without herDon't wanna hit the karaoke bar can't sing without herSo make them drinks strong, cause brother she's goneAnd if I'm ever gonna move onI'ma need some whiskey glassesCause I don't wanna see the truth She's probly makin' out on the couch right now with someone new

Yea I'ma need some whiskey glasses

If I'm gonna make it throughIf I'ma be single I'ma need a double shot of that heartbreak proof And see the world through whiskey glassesOh see the world through whiskey glasses.yeah

Line'em up, Line'em up, Line'em up

Knock'em back, Knock'em back, Knock'em back

Fill'em up, Fill'em up, Fill'em up,

Cause if she ain't ever comin back...

Line'em up, Line'em up, Line'em up

Knock'em back, Knock'em back, Knock'em back

Fill'em up, Fill'em up, Fill'em up,

Cause if she ain't ever comin back...

I'ma need some whiskey glassesCause I don't wanna see the truth She's probly makin' out on the couch right now with someone new

Yea I'ma need some whiskey glasses

If I'm gonna make it through

If I'ma be single I'ma need a double shot of that heartbreak proof
And see the world through whiskey glasses
Ohh see the world through whiskey glasses... yeah

See the world through whiskey glasses... yeah
