

# Outside

George Michael

(Let's go outside)  
Outside, Outside...  
(Let's go outside) Back to nature  
Just human nature  
Hidden in the back I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby Let's go outside (let's go outside) in the sunshine  
I know you want to, but you can't say yeah  
Let's go outside in the moonshine  
Take me to the places that I love best  
So my angel, she says, don't you worry  
'bout the things they're saying, yeah  
Got no friends in high places and the game that you gave away  
wasn't worth playing Let's go outside in the sunshine  
I know you want to, but you can't say yeah  
Let's go outside in the meantime  
Take me to the places that I love best And yes, I've been bad  
Doctor, won't you do with me what you can  
You see I think about it all the time, twenty-four seven  
(Twenty- four, twenty-four seven) You say you want it, you got it  
I never really said it before  
There's nothing here, but flesh and bone  
There's nothing more, nothing more  
There's nothing more, oh, oh, oh  
Back to nature, just human nature  
Getting on back to -I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby Let's go outside in the sunshine  
I know you want to, but you can't say yeah  
Let's go outside in the moonshine  
Take me to the places that I love best And yes, I've been bad  
Doctor, won't you do with me what you can  
you see I think about it all the time  
I'd service the community but I already have you see  
I never really said it before There's nothing here, but flesh and bone  
There's nothing more, nothing more  
There's nothing more  
Let's go outside  
Dancing on the D-train, baby (You want it, you got it)  
When the moon is high  
(You want it, you got it)  
And the grass is jumpin'

Come on, just keep on funkin'  
(I'm dancing on the D-train)  
Keep on funkin', just keep on funkin'I'm dancing on the D-train  
I'm dancing on the D-train...
