

Last Night I Didn't Get to Sleep At All

The 5th Dimension

Last night I didn't get to sleep at all no no
I lay awake and watched until the mornin' light
Washed away the darkness of the lonely night (lonely night)
Oh, last night I got to thinkin' maybe I-I-I
Should call you up and just forget my foolish pride
I heard your number ringin' I went cold inside
Last night I didn't get to sleep at all
I know it's not my fault I did my best
God knows this heart of mine could use a rest
But more and more I find the dreams I left behind
Are somehow too real to replace...

(replace)

Oh, last night I didn't get to sleep at all no no
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind
Last night I didn't get to sleep didn't get to sleep
No I didn't get to sleep at all...
But more and more I find the dreams I left behind
Are somehow too real to replace...

(replace)

Oh-oh-oh last night I didn't get to sleep at all no no
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind
Last night I didn't get to sleep didn't get to sleep
No I didn't get to sleep at all...
No no no (no-no-no) no no no

Oh, last night I didn't get to sleep at all no no
Last night I didn't get to sleep at all oh-oh
Oh, last night I didn't get to sleep at all
