

# Paper Hearts

[Tori Kelly](#)

Goodbye love, you flew right by, love.  
Remember the way you made me feel  
Such young love but  
Something in me knew that it was realFrozen in my head  
Pictures I'm living through for now  
Trying to remember all the good times  
Our life was cutting through so loudMemories are playing in my dull mind  
I hate this part, paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget about it  
Everything is gray under these skies  
Wet mascara  
Hiding every cloud under a smileWhen there's cameras  
And I just can't reach out to tell you  
That I always wonder what you're up to  
Pictures I'm living through for nowTrying to remember all the good times  
Our life was cutting through so loud  
Memories are playing in my dull mind  
I hate this part, paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget  
I live through pictures as if I was right there by your side  
But you'll be good without me and if I could just give it some time  
I'll be alright  
Goodbye love, you flew right by love  
Pictures I'm living through for now  
Trying to remember all the good times  
Our life was cutting through so loud  
Memories are playing in my dull mind  
I hate this part, paper hearts  
And I'll hold a piece of yours  
Don't think I would just forget about it  
Hoping that you won't forget
