

# Over Again

## One Direction

Said I'd never leave her  
'Cause her hands fit like my t-shirt  
Tongue tied over three words, cursed  
Running over thoughts that make my feet hurt  
Bodies intertwined with her lips Now she's feeling so low since she went solo  
Hole in the middle of my heart like a polo  
And it's no joke to me  
So can we do it all over again If you're pretending from the start like this  
With a tight grip, then my kiss  
Can mend your broken heart  
I might miss everything you said to me  
And I can lend you broken parts  
That might fit like this  
And I will give you all my heart  
So we can start it all over again Again we take the same road two days in the same clothes  
And I know just what she'll say if I make all this pain go  
Can we stop this for a minute  
You know, I can tell that your heart isn't in it or with it Tell me with your mind, body, and spirit  
I can make your tears fall down like the showers that are British  
Whether we're together or apart  
We can both remove the masks and admit we regret it from the start If you're pretending from  
the start like this  
With a tight grip, then my kiss  
Can mend your broken heart  
I might miss everything you said to me  
And I can lend you broken parts  
That might fit like this  
And I will give you all my heart  
So we can start it all over again You'll never know how to make it on your own  
And you'll never show weakness for letting go  
I guess it's still hard if the seed's sown  
But do you really want to be alone? If you're pretending from the start like this  
With a tight grip, then my kiss  
Can mend your broken heart  
I might miss everything you said to me And I can lend you broken parts  
That might fit like this  
And I will give you all my heart  
So we can start it all over again If you're pretending from the start like this  
With a tight grip, then my kiss  
Can mend your broken heart  
I might miss everything you said to me And I can lend you broken parts  
That might fit like this

And I will give you all my heart  
So we can start it all over again
