

Over Again

One Direction

Said I'd never leave her
'Cause her hands fit like my t-shirt
Tongue tied over three words, cursed
Running over thoughts that make my feet hurt
Bodies intertwined with her lips Now she's feeling so low since she went solo
Hole in the middle of my heart like a polo
And it's no joke to me
So can we do it all over again If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again Again we take the same road two days in the same clothes
And I know just what she'll say if I make all this pain go
Can we stop this for a minute
You know, I can tell that your heart isn't in it or with it Tell me with your mind, body, and spirit
I can make your tears fall down like the showers that are British
Whether we're together or apart
We can both remove the masks and admit we regret it from the start If you're pretending from
the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again You'll never know how to make it on your own
And you'll never show weakness for letting go
I guess it's still hard if the seed's sown
But do you really want to be alone? If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me And I can lend you broken parts
That might fit like this

And I will give you all my heart
So we can start it all over again
