

# I Would

## Justin Bieber

If I could take away the pain and put a smile on your face  
Baby I would, baby I would  
If I could make a better way, so you could see a better day  
Baby I would, baby I would, I would  
Baby do it to the sky and lend you the keys,  
Let you know that you're always welcomed so that you never leave Why you owe those fancy  
things that you only see on tv, yeah  
Run away, to a hut away, we be living the american dream  
And i, know it's never gonna be that easy  
But I know that he want us to try  
If I could take away the pain and put a smile on your face  
Baby I would, baby I would If I could make a better way, so you could see a better day  
Baby I would, baby I would, I would  
Wo-oh, wo-oh, wo-oh baby I would  
To the love forever why, so that it never runs dry  
Anytime you ask me why i'm smiling, say that i'm satisfied  
He got his flaws and so do i, past seven, and macy pride And though I wanna make it right I just  
cant read your mind  
And i, know it's never gonna be that easy  
But I know that he want us to try  
If I could take away the pain and put a smile on your face  
Baby I would, baby I would  
If I could make a better way, so you could see a better day Baby I would, baby I would, I would  
Wo-oh, wo-oh, wo-oh baby I would  
Yeah it's not about what I want  
It's all about what you need  
I know that it hurt you, but that wasnt me  
And I know, and I know sometimes it's hard to see  
That all we need to be  
If I could take away the pain and put a smile on your face  
Baby I would, baby I would  
If I could make a better way, so you could see a better day  
Baby I would, baby I would, I would  
Wo-oh, wo-oh, wo-oh baby I would
