

Brand New Day

Albert Hammond

Brand new day
(Albert Hammond, Mike Hazlewood) Lyrics
as performed by Albert Hammond There's a brand new world around us
Lots of good news on the way
And for each and everyone of us
It's a brand new day There's a brand new kinda meaning
To the words that people say
And for each and everyone of us
It's a brand new day It's a brand new day
It's a brand new day
For each and everyone of us
It's a brand new day
When the sun sets in the evening
There are people far away
Who awaken to the morning
Of a brand new day So say goodnight to all your friends
And it isn't hard to say
When you know that come tomorrow
It's a brand new day It's a brand new day
It's a brand new day
You know that come tomorrow
It's a brand new day And if you're feeling lonely
Just look the other way
'cause standing right behind you
Is a brand new day
And he's leaning on your shoulder
And there's something he's tryna say
He's whisperin' softly in your ear
"It's a brand new day." "It's a brand new day
It's a brand new day
For each and everyone of us
It's a brand new day It's a brand new day
Ma-ma, it's a brand new day
For each and everyone of us
It's a brand new day
