

The Cowboy Rides Away

George Strait

I knew the stakes were high right from the start
And when she dealt the cards I dealt my heart
Now I just found a game that I can't play
And this is where the cowboy rides away
And my heart is sinking like the setting sun
Setting on the things I wish I'd done
It's time to say goodbye to yesterday
And this is where the cowboy rides away
We've been in and out of love and in-between
And now we play the final show-down scene
And as the credits roll a sad song starts to play
And this is where the cowboy rides away
And my heart is sinking like the setting sun
Setting on the things I wish I'd done
Oh the last goodbye's the hardest one to say
And this is where the cowboy rides away
Oh the last goodbye's the hardest one to say
And this is where the cowboy rides away
