

Fortune (feat. Diskord)

Krewella

Pull up on the party with an army of guns
Inked up like a Harley Hells Angel on the run
Like a bull in a China shop, steaming like buns
Coming in like a wrecking ball, you gon' need a Tylenol
Luck is going all the way up
Love is raining like paper
Rolling downtown with a couple young guys
We got everything that we could ever want
Whole city on my back like Jordan
No, money can't buy this fortune
Got a squad homegrown and foreign
No, money can't buy this
Money can't buy this
Bulletproof love, you know this
Got me like a 24-karat fortress
They can keep the cash and the Porsche's
'Cause money can't buy this
Money can't buy this fortune
Money can't buy this
Money can't buy this
Money can't buy this fortune
Fortune
Diamonds are forever, but a girl's best friend
Is a bank full of ride-or-dies sticking 'til the end?
We stay mobbing the party but no, we ain't the Godless
We come in peace from the East, Pakistan to Miami
Luck is going all the way up
Love is raining like paper
Rolling downtown with a couple young guys
We got everything that we could ever want
Whole city on my back like Jordan
No, money can't buy this fortune
Got a squad homegrown and foreign
No, money can't buy this
Money can't buy this
Bulletproof love, you know this
Got me like a 24-karat fortress
They can keep the cash and the Porsche's
'Cause money can't buy this
Money can't buy this fortune
Money can't buy this
Money can't buy this fortune
Fortune
Whole city on my back like Jordan
No, money can't buy this fortune
Got a squad homegrown and foreign
No, money can't buy this
Money can't buy this

Bulletproof love, you know this
Got me like a 24-karat fortress
They can keep the cash and the Porsche's
'Cause money can't buy this
Money can't buy this fortune
