

# Solo Dancing

## Indiana

I go dancing by myself  
I go dancing with no one else  
Solo dancing push me as I go  
I go dancing it's so intense  
I will dance 'till the bitter end  
No point in asking,  
'Cause I always dance alone  
Hypnotized by the raw emotion  
Music stop and the spell is broken  
I go dancing by myself  
I go dancing with no one else  
Solo dancing push me as I go  
I go dancing it's so intense  
I will dance 'till the bitter end  
No point in asking,  
'Cause I always dance alone  
Don't hold back my dance devotion  
It's the path that I have chosen,  
Hypnotized by the raw emotion  
Music stop and the spell is broken  
Oooh how I move  
Oooh don't hold back  
My dance devotion  
How I move, how I move, how I move  
I go dancing by myself  
I go dancing with no one else  
Solo dancing push me as I go  
I go dancing it's so intense  
I will dance 'till the bitter end  
No point in asking,  
'Cause I always dance alone  
Don't hold back  
My dance devotion  
It's the path that I have chosen  
Hypnotized by the raw emotion  
Music stop and the spell is broken
